Green Waste

There will be **NO GREEN WASTE COLLECTIONS** during weeks starting December 26 and January 2 but they will resume on Monday January 9.

Home Composters are the best way to deal with your green garden and kitchen waste so log onto www.wokingham.gov.uk/waste/composting for more details.

-  Please ensure that waste is placed out the night before collection over the holiday period as collections will start earlier due to the extra rubbish and the tips shutting earlier.
-  Collections will be normal up to and including Friday December 23.
-  Please cut up your Christmas tree and place it out with your green bag on your first available collection from January 9.

 All collections will be back to normal by week starting January 9.

We will be collecting normally on all bank holidays throughout the year but please put your rubbish and recycling out the night before as the tips shut much earlier.

- If you're in recycling week A, please put your recycling out on the week marked A below.
- If you're in recycling week B, please put your recycling out on the week marked B below.
- If you're in recycling week C, please put your recycling out every week.
- If you're unsure of which week you are, please logon to:
